

Dear Regis,

For the past couple of months, the Career Development Team has worked towards collecting data on your engagement to reflect your current professional and Career Development engagement standing.

Reflecting on your journey with the Career Development Team throughout the first academic term, here is how you have engaged with us so far:

You have,

- Attended **1** workshop(s)
- Received an overall **34%** score on ALUX assessments:
  - With an Average of **0%** on Comprehension Questions
  - And a score of **100%** on your Interview Assessment,
- Submitted **0** resume and cover letter drafts over the 2 resume drafts and 2 cover letter drafts required for submission
- Scored **0** on your final resume!
- Received a score of **0** on your final Cover Letter submission.

If any of the information above is not accurate, [please fill out this query](#) form to let us know. :)

With your current level of engagement, we have observed a **Moderate Engagement** level with you this term. We hope that your journey with us has been of value to your growth and look forward to creating more opportunities to help set you up for success.

*Please note: if you need any support (toolkits, office hours, coaching etc.) from the career development team, do not hesitate to reach out. The opportunity board is still continuously updated each week with new opportunities so make sure to bookmark and frequently check it!*

We are excited about engaging with your professional development learning in 2020, Regis! Should you need any support, please do not hesitate to email us at [mycareer\\_rw@alueducation.com](mailto:mycareer_rw@alueducation.com).

Best,  
The Career Development Team.
