Ste Famille Hotels, Kigali

Dear sir/ Madam,

I am interested in the banquet waiter position at your hotel as published on your website.

Recently, I had an opportunity of working as a cook at Kigali view Hotel where my responsibilities were to make sure of the proper presentation of dishes before they are served, ensuring an orderly environment of the kitchen, managing the stock and placing orders in case of ingredients shortages.

With all the experience I got from past experience jobs, I hope to add to your team new skills , resilience and team spirit. I hope I will be a good and profitable asset to your team.

I look forward hearing from you soon, you can reach me out on 0786781017 or eddyshingiro@gmail.com.

Sincerely,

SHINGIRO EDDY
